ONLINE ORDERS

Step-by-Step

★ STEP 1. SELECT PAGES

It is suggested to select the **"Pages"** button in the top left corner to activate the thumbnail pages at the bottom of your screen to easily

navigate and jump to different pages in the catalog.

★ STEP 2. SELECT AN ORDER METHOD

There are **two methods** of placing an order. These can be accessed in the dropdown box at the top middle screen area. Step 3 refers to Lookbook View.

Lookbook View

OPTION 1

"Lookbook View"

Allows an order to be placed by using a shopping cart rendered on top of the hardcopy catalog pages.

TIP: Lookbook View offers more product visuals and of the hardcopy catalog.

Line Sheet View

OPTION 2

"Line Sheet View"

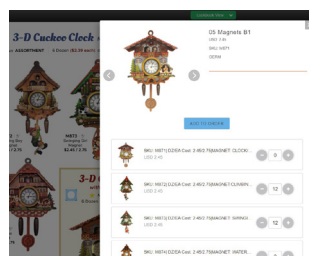

Allows an order to be placed in a simplified line item format (note that this option might take a minute to load onto your computer).

TIP: Line Sheet View offers a more efficient way to view SKU's by pages rather than requiring to flip through the complete catalog.

★ STEP 3. SELECT THE PULSING BOX

When clicking on the box with a pulsing animation, it will open up the collection. Input the qty for the desired items. When finished, click on the "Add to Cart" at which point the items in this collection will be placed in your shopping cart.

TIP: Refer to the "MOQ" (Minimum Order Quantity) noted on the catalog pages to ensure the quantity being ordered meets the MOQ.

★ STEP 4. SELECT SHOPPING CART ICON

Upon placing items in the shopping cart, the Shopping Cart icon will indicate in red the quantity of items there. Click on this icon to pop up the cart in the right panel to view all items that have been placed in the cart. Upon completion of order, click on the **"Submit Your Order"** located in the bottom right section of the shopping cart.

TIP: Adjustments can still be made to the quantity in the shopping cart.

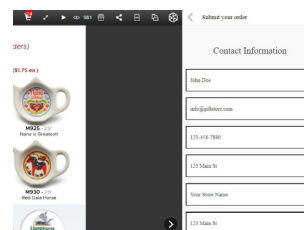

Submit Your Order

★ STEP 5. INPUT STORE INFORMATION

Enter the contact information for your store.

TIP: Note that no payment information is required. The total provided is for general reference. A follow-up sales confirmation will be emailed to you reflecting current pricing, assortment pricing, availability, etc. Upon shipment of your order, an invoice will be included with the box noting the final actual charges that reflect items fulfilled and shipping charges.

Upon successfully completing your order, you will see a pop up box noting **an email has been sent to your inbox.**

★ STEP 6. CHECK YOUR EMAIL INBOX

Upon submitting the order we will receive a draft of the order. A follow-up email will be sent to offer the opportunity to review the order once more and make any changes at

which point **"Complete Your Purchase"** can be selected.

Complete Your Purchase

★ STEP 7. LOGIN TO YOUR E.H.G. ACCOUNT

TIP: If you do not have an E.H.G. account, select "Create Account." No personal or sensitive information is stored under your account profile. For convenience, we suggest using your email and the general E.H.G. Password: 97520

PLEASE NOTE TIER PRICING / BACKORDERS:

Assortment Pricing & Stock Availability are reflected in the **Draft Order** sent via email. Please review the backorders and pricing carefully to adjust your order as needed.
